

many, many, many Native American families have either experienced a job loss or a pay cut.

All across this country, working families are standing up and saying: You know what, we have served in the military. We are doing our best to raise our kids in this unprecedented moment in history. We need help.

I want to thank not only my friends in the Congressional Progressive Caucus in the House of Representatives—JAYAPAL, TLAIB, OMAR, OCASIO-CORTEZ, RO KHANNA, and many, many others—I also want to thank the millions of Americans who have stood up and demanded that the government respond to the needs of working families.

I want to thank the over 60 groups representing millions of working families, progressives, the elderly and young people, including Public Citizen, the Sunrise Movement, Social Security Works, Presente, and People's Action, for pushing a progressive agenda forward and for demanding that this government respond to the needs of our people.

So here we are, as this proposal continues to be negotiated. As I said earlier, it is my hope that not only do we make sure that unemployment benefits are extended for another 16 weeks at \$300 per week, it is my hope that we can see some light here and get to the \$1,200 direct payment that adults in this country desperately need. I am going to do my best in the coming days to make sure that happens. I hope the American people will join with me and get on the phones and call up their Members of the House and Members of the Senate and say that in this unprecedented moment in American history, government has to respond to the needs of working families.

With that, I yield the floor.

I suggest the absence of a quorum.
